

Nothing in the world works like **Sudecon**<sup>®</sup> the Leader in defense spray aftercare  
Irritant Spray Decontamination Wipes

***The most reliable defense spray decontaminant in the world!***

Sudecon<sup>®</sup> is the first and only product of its kind.  
Fox Labs' *patented formula* doesn't use alcohol/ethanol, and  
is so safe that it won't harm you even if it is ingested accidentally.  
Nothing completes decontamination and restores vision faster,  
easier, more safely or reliably than Sudecon.<sup>®</sup>

***Check these outstanding features***

- Instantly decontaminates by lifting & removing chemical agents from the skin.
- Spontaneously stops the burn—opening eyes and restoring vision usually in 7-15 minutes or less!
- Unmatched effectiveness on all types of defense sprays: OC, CS, CN, OC/CS
- Easy-to-use: just open towelette and wipe all affected areas.
- Sudecon<sup>®</sup> is a topical solution that is used on closed eyes,  
NO need to force eyes open and spray them repeatedly like with other products.
- Can be applied 'prior to training exposure' to reduce the effects of all types of defense sprays.
- Field-proven by military, federal, state & local law enforcement, EMS and medical personal  
as the superior decontaminant to all other alternatives.
- Easy-to-carry for quick access—3½" x 4" pouch opens to big 7.5 x 11.5 inches and  
can be conveniently carried on belt in glove pouch or in a shirt pocket.
- Requires NO additional soap or water and contains all natural ingredients
- Cleans-up leather gear, handcuffs, steering wheels, etc.
- Sudecon<sup>®</sup> reduces liability concerns in all areas
- Environmentally safe: 'Patented formula' is comprised of baby-type shampoo, sugar and water.
- Non-toxic, non-flammable, non-irritating

It's unanimous!  
Sudecon<sup>®</sup> works faster, is easier to use,  
and is proven more reliable than alternatives because  
***Nothing in the world works like Sudecon***<sup>®</sup>
